WHO WE ARE

Batch 29: Muhammad Musharab Shehzad
Assignment# 3 To : Maria Ishaq

R-SHEEN is synonymous with elegance, opulence, and luxury. Established in 1990, the fashion powerhouse earned early success because of its intricately detailed and luxurious evening and bridal wear and tastefully body-conscious silhouettes. In addition to its couture, R-SHEEN also produces a coveted luxury prêt-à-porter line which is highly anticipated every month for its exquisite aesthetics and design details. R-SHEEN Lovers is the brand's wildly successful seasonal unstitched printed fabric collection which was first launched in 2005 and has quickly become a summer must-have. Recently added to the portfolio is R-SHEEN Vital, a casual avant-garde ready to wear diffusion line. With regularly updated designs, this line is proving to be very successful with cosmopolitan women who do not want to compromise on elegance or quality in their daily wear.
