

BASHIR AHMAD

FLUTTER DEVELOPER

As a recent Computer Science graduate, I possess a solid grasp of programming languages such as Flutter, Dart and also have basic understanding Java along with a keen interest in Mobile Applications Development. I am seeking an internship to further develop my coding skills and gain practical experience in a professional environment. My adaptability, attention to detail, and eagerness to learn make me a valuable asset for a development team that values innovation and teamwork.

TECHNICAL SKILLS

- Flutter
- Dart
- API's
- Firebase
- OOP's
- WordPress

PROJECTS

- T20 World Cup: This is custom Application, which I created using JSON Data concept.
